## 2017 Equipment Finance Predictions: Strong Forces Will Transform Global Markets

Despite uncertainty in key global markets, there are clear growth opportunities for equipment leasing and finance companies in the year ahead. However, not all companies will come out winners in 2017, report industry consultants with The Alta Group. This [article](#) discusses the forces that will shape the industry's prospects in the US, Canada, Latin America, Europe and Asia Pacific.

### Asia Pacific Hot Spots for Equipment Leasing

China is no longer the lowest cost labor market for manufacturing companies, notes The Alta Group's Adrian Pang in this [video](#). He discusses economic growth in developing hot spots including Vietnam and Myanmar, mature markets in Japan, Hong Kong, and Singapore, and equipment leasing and finance considerations in Asia Pacific.
